

PAC Minutes, April 12, 2016

Attending: Sean Woytek, Ashley Hein, Jane Katz, Margery Poitras, Katherine Roddinghouse

Principal update- Discussed next year's calendar and the schedule changes. LINK internships will be in May, which may be tough right before the end of school. Osprey Week will be the week before Spring Break to accommodate some that may be 2 weeks long, or give kids a break from classmates after spending an intense week together.

Bell schedule was introduced. School will start 5 minutes earlier, end 5 minutes later to accommodate potential snow days. Electives will be 5th-7th period for 9th and 10th graders. 1st, 6th and 7th periods for Juniors and Seniors.

AHS is trying to team up with IAM Music for next year. They will come to AHS during 1 period, if funding can be secured.

Enrollment as of now is 297. Surplus would be 300. School needs to have 295 students. Enrollment Committee has formed and will continue through the summer to promote AHS through get togethers for kids and parents.

An intersection will be installed at the entrance for Twin Buttes. (99% sure!)

School Beautification is continuing. The school is looking good and will continue to improve.

All school Exhibition May 12, 4:00-7:00. AHS wants to make it more of a party. Hoping to draw in the public. Ideas for this are welcome.

The fundraiser in Buckley Park on June 3rd is still in the works, but what about combining it with the May 12th exhibition?

After Prom is this weekend. Marla has it under control. Prom is at River Bend Ranch, after prom is at rec center.

Next PAC meeting will be May 3rd.
