

## **PAC Minutes, April 12, 2016**

Attending: Sean Woytek, Ashley Hein, Jane Katz, Margery Poitras, Katherine Roddinghouse

**Principal update:** Enrollment for the 2016-17 schoolyear is at 250 registered students and 35 ghosts-(haven't confirmed they are returning, though they are intending to), 6 current students have declined to return. This is considerably less non-returning students than in the past. There will be 8 AHS students leaving on foreign exchange which means no funding for those students. AHS will try to get a few exchange students in at the same time.

Twin Buttes is starting construction- we need to keep people off the road for walking as it will be just for construction trucks.

There will be very little teacher turnover next year- Dave Hershapp is going on sabbatical next year, though will remain local for advice.

Kurt Pattison- who was a student teacher this year is taking over Dave's place of the year.

Karlin is taking sabbatical, as well.

Thursday is the all school exhibition- 4:00-7:00.

**Ashley's news:** AHS will be hosting several summer events- there will be some community outreach by the ambassadors- alumni are hosting/putting on summer events- bbq, rafting/bbq in Aug., in June, there will be a girl's wellness day- LAN party. All events will be on campus, except rafting, of course.

The Family Center is putting on a festival June 12th. Need volunteers- AHS will man the dunk tank.
